

Innovative Technologies for Sustainable Mobility and Energy Efficiency in Island and Rural Contexts

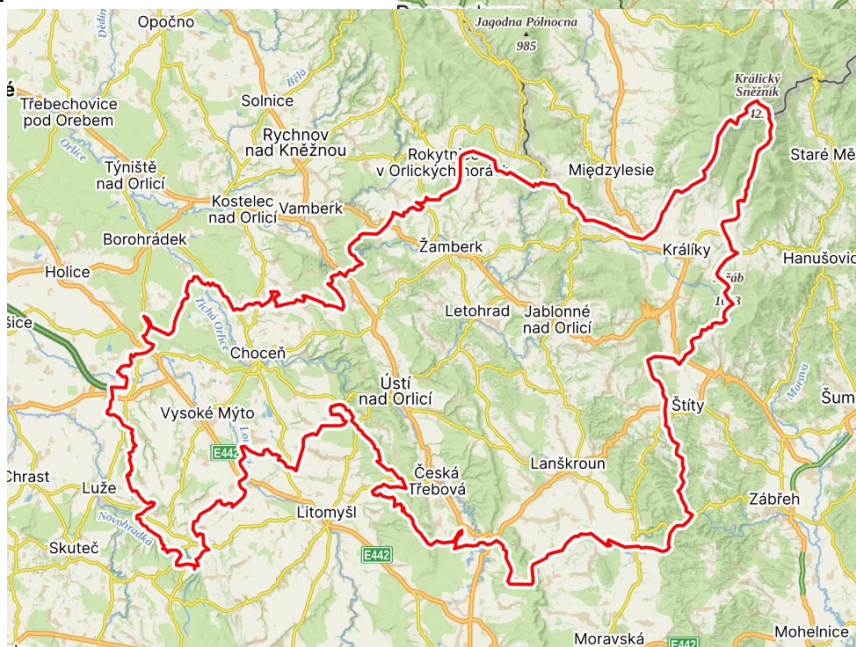

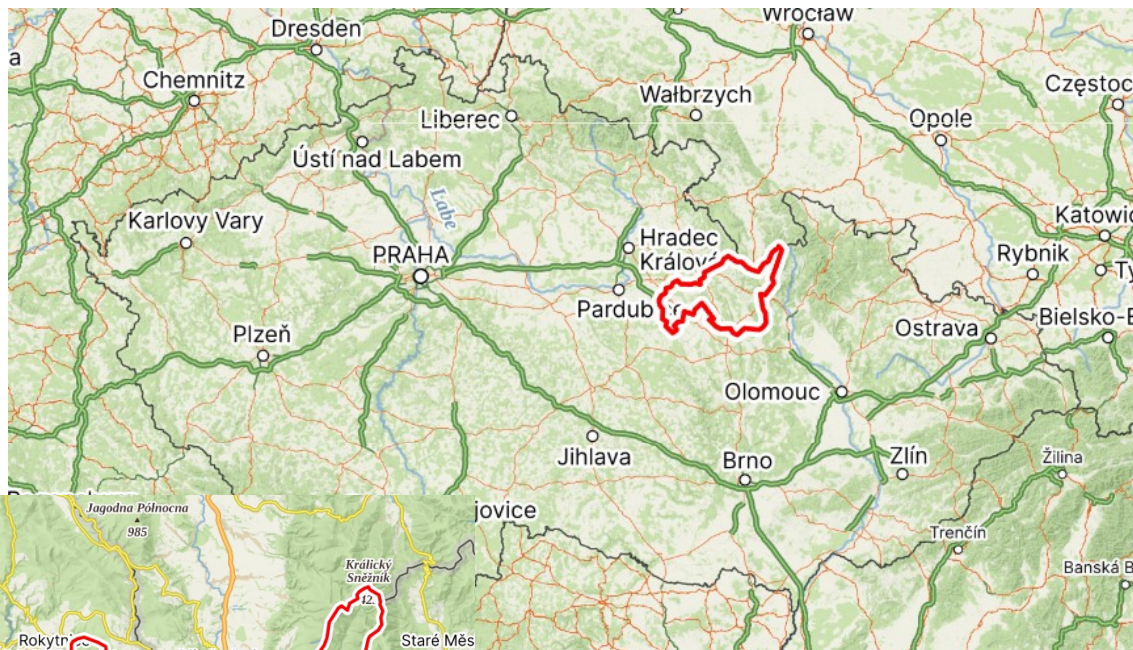

10 – 13 June 2025
Siggiewi MALTA

Sustainable Mobility

One of main focus of our organization is on senior transportation

- Brandýs nad Orlicí
- Česká Třebová
- Choceň
- Kostelec nad Orlicí
- Lanškroun
- Ústí nad Orlicí
- Vysoké Mýto
- Žamberk

Sustainable Mobility

One EV vehicle was bought for Ústí nad Orlicí area

- focus on costs effectiveness
- solar panels were installed
- installation on main building of CCK
- on site charging station installed

Sustainable Mobility

Cost effective rules of usage of EVs

- no public charging
- public charging same cost as standard vehicle
- 2x costs in winter due to heating
- limited usage for Usti nad Orlici area
- rules followed less than ½ price

Due to the costs it is not transferable to other locations as there are no buildings owned by CCK

Sustainable Mobility

Shared bicycles in Ceska Trebova area for public usage

- 23 places for parking in the area
- 55 bicycles
- nextbike mobile app for renting
- 15 minutes free
- supported by Pardubice region
- supported by municipality
- more than 3 000 users

Sustainable Mobility

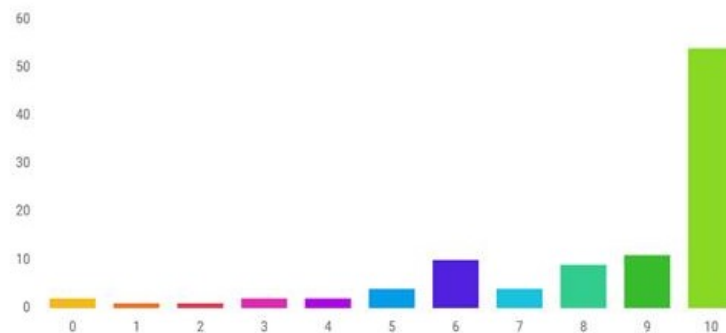

Shared bicycles in Ceska Trebova area for public usage

- new stations every year
- yearly online questionnaire
- promotion of bicycles during public events
- promotion on CCK day in Ceska Trebova
- program approx 30 KEUR
- less than 50 % costs for municipality

(Pardubice region and CEZ participation)

Sustainable Mobility

How can we enhance the sense of European identity while addressing local needs?

What we as Europeans are missing?

Sustainable Mobility

How can we enhance the sense of European identity while addressing local needs?

New public holiday

European holiday

May 9

**European Day – Unity in
Action**

Aim of the holiday would be to celebrate European identity by linking shared European goals (like sustainability, democracy, innovation) with locally prepared activities and promoted campaigns.

Each year with focus on specific topic

May 9 2026 – European day of sustainable mobility
