

Raising awareness of fundamental rights and EU values through sustainable transportation infrastructure

19 – 22 November 2025  
Fano ITALY

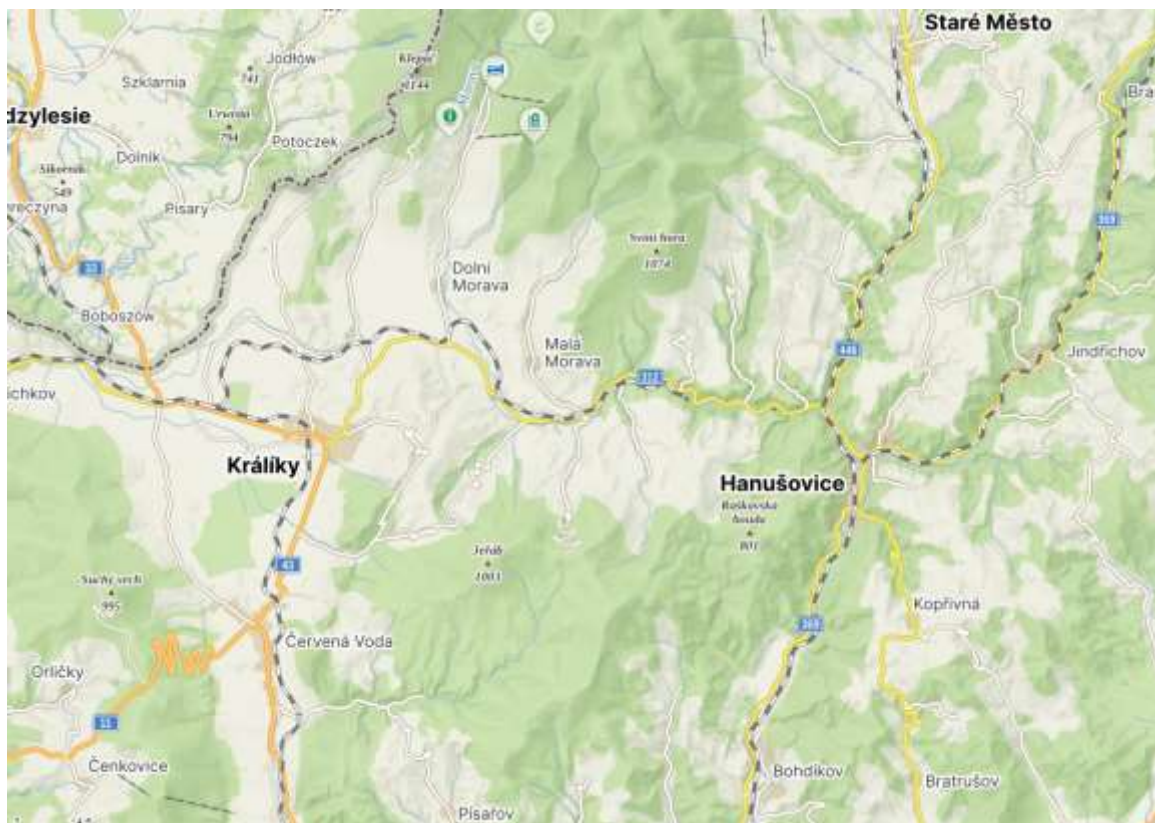

# Raising awareness of fundamental rights and EU values

## Successful story

- Cooperation between residents, municipality and region promote sustainable transportation in rural areas

Municipality Malá Morava 509 residents

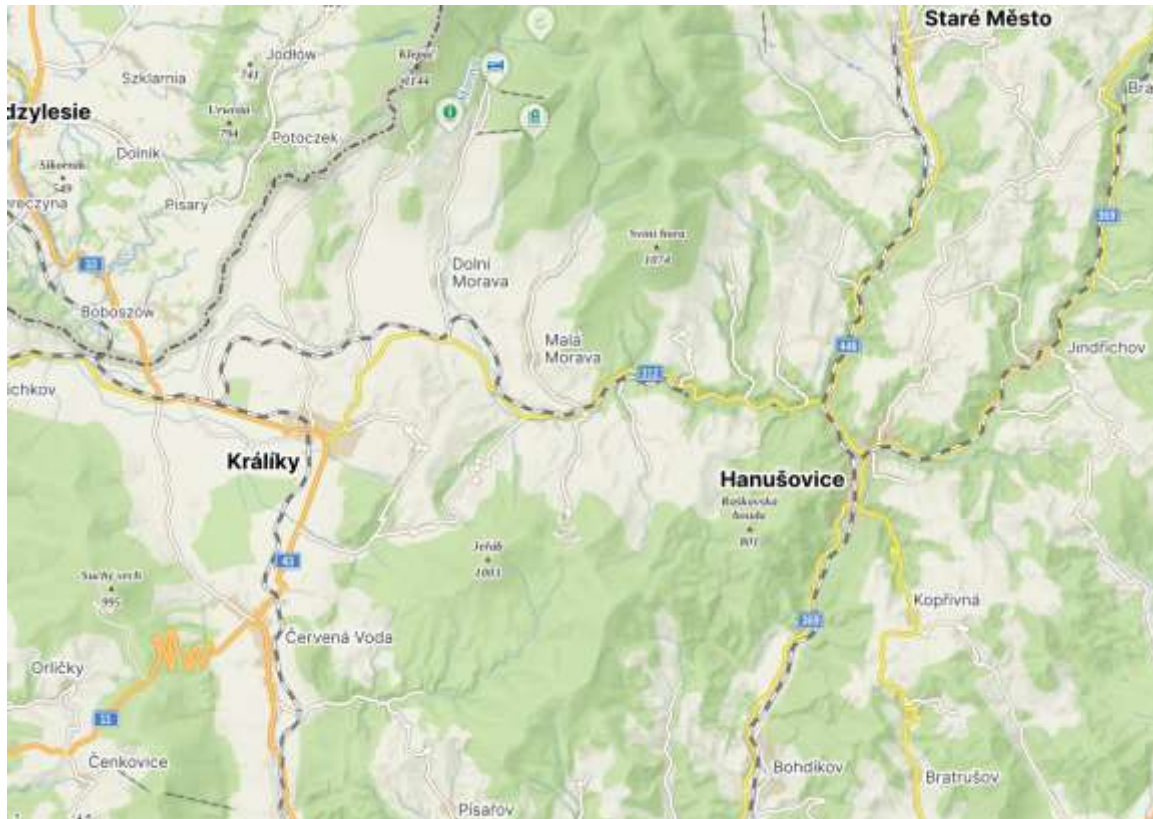

School catchment area - Hanušovice

## Raising awareness of fundamental rights and EU values

## Successful story

- Bus transportation for school kids from Malá Morava (Pardubice region) to Hanušovice (Olomouc region)
- Many parents were not pleased with the school at Hanušovice and decided to sign up their kids into school in Králíky by individual/shared transportation

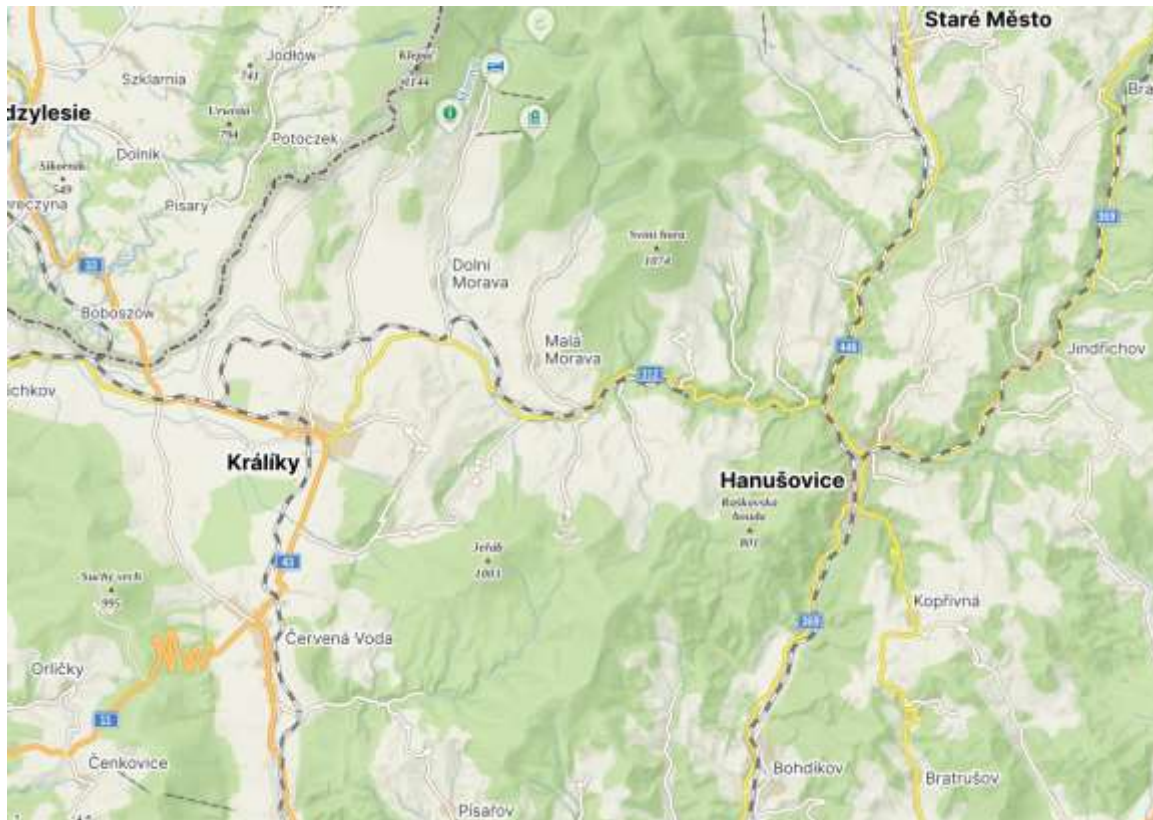

# Raising awareness of fundamental rights and EU values

## Successful story

- Request from parents to local municipality to provide sustainable transportation to Králíky
- Special school line was provided by the transportation company to safely drive the kids to school

# Raising awareness of fundamental rights and EU values

## Successful story

- Keys to success:
  - Active participation of residents in rural area in sustainable transportation
  - Involvement of municipality/region
  - Transportation company provides service
  - Regular check of the safety transportation by parents
